# Colin's Column

Good afternoon everyone, and welcome to Boothferry Park.

On behalf of all at Hull City F.C. may I make a special mention about the support which we received against Oxford United on Tuesday evening. Unfortunately the result disappointed everybody, but the commitment both on and off the field was 100%, although on the night it just didn't tip the result in our favour when we know that 9 times out of 10 it can. Though the last two games have been defeats I feel sure the standard of performance was considerably higher than any last season in the Fourth Division. We have met two teams who were very thorough in their play which gave us a problem or two. They didn't particularly cost us the games, but lady luck isn't shining on us at the moment. The present squad of players have proved to be able to learn and adapt very quickly to the various demands the last 18 months have presented them with, and I can assure you, they intend to get back on winning ways quickly.

Today will give everyone the opportunity to look to the future and quell any negative thoughts that may have developed, therefore all the constructive help you can give will be appreciated.

May I welcome Bolton Wanderers F.C., Directors, Staff and Players alike. I feel sure the weather is kinder today than when we played in October at **Burnden Park!!!** Anyway a good game is in prospect.

Thank you for coming — you were super at our last home game.

## ROUND BALL'S ROUND UP . . .

After the two matches on Tuesday evening, the Division Three promotion place still seems to be available to as many as eight teams.

At the present time it would appear that Oxford United are strong candidates for the step up at the end of the season, not only because they are currently positioned at the top of the League, a point clear and with games in hand on most of their rivals, but also the added experience of Colin Todd at the back should be enough to stabilise any weakness in their rear guard which existed. Their three points gained on Tuesday night at Boothferry Park took them to the No. 1 position in the League ladder and were hard fought for, after protecting a one goal lead for almost 88 minutes of the match.

Four days earlier they had also had to fight for a 3-2 win against Bournemouth at the Manor Ground. Their first minute lead, attained through Brock, was cancelled out in the eleventh by a goal from Chris Sulley. In the second half they recovered the lead when Biggins scored just after the re-start, only for Thompson to equalise once again some fifteen minutes later. Unfortunately for the south coast outfit, after seventy minutes Peter Rhoades-Brown scored what turned out to be the winner.

Sheffield United moved up two places with their 2-0 home victory over Plymouth on Tuesday. This was preceded last weekend by a 3-1 victory down at Brentford where goals from Morris (penalty), Atkins and Keith Edwards were enough to overtake Brentford's early lead set up by Roberts.

There was a slight set-back for Walsall seven days ago when Bradford City's amazing transformation continued. Handysides gave Walsall the lead after twenty-five minutes, but second half goals from Haire and McCall gave the Yorkshiremen three points in their charge up the League. Will the bubble burst before the end of the season?

Burnley kept themselves in touch with the top places after a 4-0 beating of Lincoln and today's visitors restored their faint hopes with a 2-0 victory over Port Vale.

## ***In the past . . .***

In post-war meetings between our two Clubs at Boothferry Park, Hull City have won four, five have been drawn, with Bolton victorious on one occasion. All of these games have taken place during a twelve year spell between 1966 and 1978. The one defeat for The Tigers was in season 1967/68 and the score was 1-2, Chris Simpkin getting the lone City goal and in the corresponding fixture from the previous season, he had scored the equaliser in a 1-1 draw.

As mentioned in the Supporters Club Comments, the last time we met in Hull the score was 0-0, but the 2-2 draw of the season before will probably be better remembered by most Tiger's fans (for the wrong reasons). Unfortunately this was George Lyall's last game for City because he sustained a broken leg whilst scoring the equalising goal in this televised game. George still visits Boothferry Park to watch some matches throughout the season.

The highest scoring match was in season 1969/70 when Hull City finished two goals the better in a six goal thriller, and at the end of the season were also two positions above The Trotters in thirteenth position.

Bolton have spent most of this season on the fringe of a promotion place without really breaking through into the top positions. Their early season results were somewhat unpredictable. A 2-0 victory at Bradford, with second half goals from Simon Rudge and Tony Caldwell, then later an 8-0 hammering of Walsall, Caldwell finding the net on five occasions this time, were followed by a 3-0 defeat at the hands of lowly Chester City in the Milk Cup 1st Round 2nd Leg. This tie was finally settled on penalties, with Wanderers losing out on the night.

In the F.A. Cup they lost in the Third Round by three goals to nil against Sunderland, at Burnden Park. They had beaten Mansfield Town in the Second Round scoring two first half goals through Wayne Foster and Simon Rudge without reply. Previous to this the Lancastrians won 4-1 in a First Round replay at home against Tranmere, after initially Jeff Chandler had grabbed an eighty-ninth minute penalty to equalise in the 2-2 draw on Merseyside.

Over recent weeks Bolton have given creditable performances against Bristol Rovers at Burnden Park, winning 3-0 and down at Southend, winning 1-0, yet other results include defeats at Wimbeldon by four goals without reply, on home territory to Lincoln by two goals to nil and at nearby Burnley in the Associate Members Cup by two goals to one.

Wanderers' fans will hope that their team can finish the season with a flurry now that Tony Caldwell is finding that regular scoring touch once again as in the early season, and Jeff Chandler continues to provide capable support.

## LUCKY MASCOT

Today's lucky mascot is Paul Cockerton from Skipton, North Yorks.

I am six years old and follow The Tigers both home and away. Billy Whitehurst is my favourite player.

I enjoy swimming and playing football and this season I have been lucky enough to win the Junior Tiger Quiz on two occasions.

Many Tigers followers will have less than fond memories of the Burnden Park clash in October. It is possible that their clothes have yet to fully dry out after standing for ninety minutes on open terraces during torrential rain. Let us hope today's game is played in more favourable conditions.

# KING'S SPOT

This week Pete Sissons takes over, in writing these notes.

WITHERNSEA XI 0 v HULL CITY XI 3

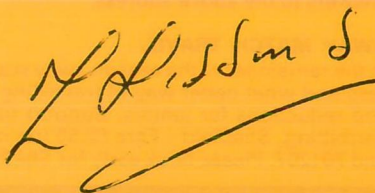

With East Riding County Junior Team call ups, which meant the postponements of both the Junior and Minors matches, a friendly was arranged for the remaining youngsters, against a Withernsea XI, who play in the amateur league.

The opposition started off strongly but as the game progressed the youngsters started to assert their authority in which the Juniors Kemp, Olsson and Harrison played a leading role. At half time City had a two goal lead through S. Blanchard and P. Danby, both close range efforts, and these after a handful of chances had been missed.

With a further goal from P. Olsson midway through the second half, the youngsters started to produce some really good football, whilst the opposition tried all the time. Despite a number of chances narrowly missing, the pleasing aspect was the chances created and accepted.

For City, R. Heath had a sound game in the back four, whilst D. Burr in midfield and A. Crabb up front worked tirelessly for 90 minutes.

Note: The youngsters selected for the East Riding Junior Team were, A. Stainforth, N. Brown, B. Burton, A. Tomlinson, N. Shepherd, A. Storey and T. Davis. Result, a defeat for the East Riding 3-2.

**Take a long look  
at Minolta's  
EP300RE.  
We've had to.**

The EP300RE is barely 2 feet long, 21 inches wide, yet it puts many larger machines to shame.

It can enlarge, reduce from two different formats, and even automatically adjusts the correct toner supply.

And we can tell you everything about it.

Because Minolta refuse to let anyone sell their machines unless they know them inside out.
